Olympia, Washington – September 1th, 2009. In this harsh economic climate, a success story is like music to our ears. Downtown Olympia has seen a lot of challenges, and not just due to current economic stress; yet through unique product selection and creative marketing, **einmaleins** has managed to survive through its tough years.

Since we first opened our doors Olympians have enjoyed our high-quality product and fantastic prices from remarkable brands like WMF, ASA Selection and SIGG, Reissentel, Lamy and Kuhn-Rikon.

einmaleins is celebrating the start of its third business year by inviting the community in to enjoy refreshments, and take part in giveaways and specials. The anniversary party will be held from 5pm to late on September 4th, on First Friday. It's our way of thanking our community members for all their support over the past two years, and celebrating the beginning of yet another exciting 365 days to come.
